Dear Mrs. Ellis,

On behalf of the children at the Bread of Life Home. I wish to thank you for spear heading this great task of collecting and shipping the well needed items of food stuff etc. Everything was just perfect and useful.

The children were very excited and happy sorting and sampling the goodies.

Please convey our thanks for the shipment and all those who have helped or contributed in one way or the other.

I know everyone worked very hard to make this most need gift possible. A very special thanks to all. May the good Lord bless each one abundantly.

Gratefully,  
Sr. Zita Knights
