Dear Susan,

On behalf of management, staff and residents of the institution, I would like to express heartfelt appreciation for your thoughtful gesture of much needed medical supplies which is inclusive of instruments, wound care, Blood Pressure machines, disposable gloves along with toiletries and adult disposable diapers.

These items were received at a timely period as we were running short on some essential ones. They were utilized and continued to do so for the intended purpose, to which we are evermore grateful. Please convey our many thanks to your organization, donors and supporters. Your continued support for less fortunate persons will not go unpaid. May the Almighty continue to shower you with His blessings.

Once again, thank you.

Sincerely,

Ellen Wilson
